

THE OATH

We; the Defenders of The One, Gallants of Light, Warriors of Peace & Harmony on all Domains of the Cosmos; hereby assure our dedication to the Light, for the Battle between Good & Evil, Love & Hate, Right & Wrong is never ending.

In the Brightest Day, in the Darkest Night, we give this Oath to Preserve, Protect & Defend The Law Of One. We Pledge our Allegiance & Loyalty to the Never ending ISNESS of Creation.

We shall be without fear, in the face of our enemies. Speak the Truth always. Safeguard the helpless. Honor the fallen ones, and vow to not fail to remember.

We shall carry the names of the Innocent on our Bodies and their cries on our Minds; so we Never Ever forget their Sacrifice. Their Bloodshed will Not Be buried on Time's oblivion. Damn are we if we allow this to occur!

So we Head on out, to a Future unknown to Us, with the Hope that we will Awaken to our Duty and perform this colossal Task.

We vow to not return unless we do so.

This Affirmation is Bond binding and is archived in the Hall of Justice.

Great honor to those who recollect this Declaration. Future generations will speak of their Bravery & Courage. Their Heroism will be Recorded in the Chronicles of Ages and inspire future dynasties of Descendants.

This Is Our Oath, Let It Echo To All Galaxies, All Universes, For All Eternity!
